

**The Regulation of King Mongkut's University of Technology North Bangkok
Concerning Special Students Admission
A Vocational Certificate and a Bachelor's Degree levels, 2010 (B.E. 2553)**

It is necessary to generate rules on the admission of special status students of vocational certificate and undergraduate levels.

Based on Article 22 (2) of the Act of King Mongkut's University of Technology North Bangkok in 2007 (B.E. 2550) in association with the University council's resolution on the meeting no. 2/2553, held on March 24, 2010, the following issues were set up:

Item 1 This regulation is called " King Mongkut's University of Technology North Bangkok regulation relating to special students' admission in a diploma and a bachelor's degree levels, 2010."

Item 2 This regulation becomes effective from semester 1/2010 onward.

Item 3 The University regulation on special students' admission in the vocational certificate, diploma, and bachelor's degree levels , 1991 (B.E. 2534) is annulled. Any orders, rules, announcements contradict the current regulation are replaced.

Item 4 in this regulation

" University " means King Mongkut's University of Technology North Bangkok.

" President of the university " means the president of King Mongkut's University of Technology North Bangkok.

" Speical students" means individuals interested in particular subjects, or students of other institutions who request to enroll in any courses offered by KMUTNB.

Item 5 The registration of special students is subject to the Faculty Dean's approvals. The maximum credits allowed is 15 units. (according to the University regulation on special students admission, vocational certificate level and a bachelor's degree level, 2nd issue in 2011)

Item 6 Fees are charged follows: (according to the University regulation on special students admission, vocational certificate level and a bachelor's degree level, 2nd issue in 2011)

- | | |
|----------------------------------|--------------------|
| (1) Vocational certificate level | 2,000 Baht/ course |
| (2) Bachelor's degree level | 3,000 Baht/ course |

Item 7 The status of students is active for each semester only. The request to take up for more than 2 consecutive semesters, excluding the summer session, is not applicable.

Item 8 Special students whose cumulative GPA reaches 2.00 are eligible for enrollment in the second semester.

Item 9 Special students wishing to change status to regular student status are expected to meet the University requirements including passing the entrance examination or section process.

Item 10 Special students who are admitted as regular students may submit a request for grade transfer, in case course grades obtained reach 3.00 (B).

Item 11 As non-degree special students,

(1)their earned academic credits for successfully completed courses are not transferable toward a certificate or graduate degree.

(2) They are not entitled to exemption from compulsory military service and undergoing the territorial defense programme.

Item 12 The President is responsible for implementing and enforcing the regulation. In case of during the process of interpretation, the President will make the final and absolute judgments.

Given on March 24, 2010 (B.E. 2553)

Professor Dr. Kasem Suwannagul
Chairman, KMUTNB Council
