

**The Regulation of King Mongkut's Institute of Technology North Bangkok
Concerning Educational Fee and Special Program Application Fee for the Vocational Certificate English Program in
Electrics and Electronics 2007 (B.E. 2550)**

For the facilitation and efficiency of the management of the Vocational Certificate English Program in Electrical and Electronics, the regulation for the educational fee and special program application fee for the Vocational Certificate Program was drafted.

Based on the 1985 Act of King Mongkut's Institutes of Technology Ladkrabang, Thonburi, and North Bangkok, Articles 15 (3) and (12), along with the resolution of the Council of King Mongkut's Institute of Technology North Bangkok (8/2550) on 21 November 2007, a draft of the regulation of King Mongkut's Institute of Technology North Bangkok concerning the educational fee and special program application fee for the Vocational Certificate English Program in Electrics and Electronics was written as follows.

Item 1 The regulation is hereby entitled "The Regulation of King Mongkut's Institute of Technology North Bangkok Concerning the Educational Fee and Special Program Application Fee for the Vocational Certificate English Program in Electrical and Electronics 2007."

Item 2 This regulation is to be active from Semester 1/2008 onward.

Item 3 In this regulation,

"The institution" means King Mongkut's Institute of Technology North Bangkok.

"The president" means the president of King Mongkut's Institute of Technology North Bangkok.

"Students" means the students admitted to the Special Vocational Certificate English Program in Electrical and Electronics.

"The Special Vocational Certificate English Program" means the Vocational Certificate English Program in Electrical and Electronics.

Item 4 The institution is to charge educational fees in the amount of 55,000 Baht per semester for the total of 6 semesters, and in the amount of 10,000 Baht per semester from Semester 7 onward until the student graduates or reaches the limit for his/her study time.

Item 5 The application and other fees charged by the institution will be in accordance with the Regulation of King Mongkut's Institute of Technology North Bangkok concerning fees and maintenance fees for vocational certificate programs, high vocational certificate programs, and undergraduate programs.

Item 6 For the facilitation and efficiency of the management of the Vocational Certificate English Program, any changes in the educational fees can be carried out by the president via the institution's announcements, approved by the Executive Board and notified to the Council of King Mongkut's Institute of Technology North Bangkok prior to being active.

Item 7 The educational fees according to this regulation are to be the institution's income and the institution has the right to allocate such income for the benefit of education and the facilitation of student services for academic and other purposes.

Item 8 The rules for the disbursement of the income for the program's administrative expenses are in accordance with the institution's announcements.

Item 9 This regulation is overseen by the president of King Mongkut's Institute of Technology North Bangkok, who has the right to issue Announcements for the implementation in accordance with this regulation. The president is entitled to the right to make the final decision pertaining to any problems in the decision-making or interpreting of this regulation.

Announcement issued on 21 November 2007,
